Unbroken Ranks (1)

MILITARY

ACTION
Bank Unbroken Ranks as an Asset. After you win a battle in which you used no Orders, you may discard it. If you do, gain 1 Command.

BATTLE
If you win this battle and used no Orders during it, gain 1 Command.

Battlefield Promotion (2)

MILITARY

ACTION
Play only during an Action Opportunity after you win a battle this turn. Return one Tactic you chose during that battle from your Discard Pile to your Hand.

BATTLE
During the Aftermath of the battle, if you won, return one other Tactic you chose to your Hand instead of putting it in your Discard Pile.

Encampment (2)

MILITARY • TERRITORY OVERLAY

ACTION
Place Encampment as an Overlay on a revealed Territory you occupy and control.

OVERLAY
At the end of Encampment's owner's turn, if they occupy and control this Territory, they gain 1 Command. When another player gains control of this Territory, put Encampment in its owner's Graveyard.

BATTLE
During the Aftermath of the battle, if you won while defending a revealed Territory you control, place Encampment on that Territory as an Overlay instead of putting it in its normal destination.

Rearguard (2)

MILITARY

ACTION
Bank Rearguard as an Asset. After you lose a battle and retreat, when your opponent would use an Order or card effect to enter your position during that turn, you may discard Rearguard. If you do, prevent that movement. No Command is spent, and any card used for that effect returns to its owner's Hand. That Order cannot be used again that turn, and that specific card cannot be played again that turn.

BATTLE
During the Aftermath of the battle, if you lose and retreat, bank Rearguard as an Asset instead of putting it in its normal destination.

Brothers in Arms (2)

MILITARY

ACTION
Bank Brothers in Arms as an Asset. When choosing Tactics, if you did not set a Gambit, you may discard it. If you do, choose one eligible Tactic from your Reserve and one card from your Hand with a Tactic or Battle effect. Set both face down as your Tactics, or pass.

TACTIC
When you choose Brothers in Arms as your Tactic, if you did not set a Gambit, you may also choose one card from your Hand with a Tactic or Battle effect as an additional Tactic. Set it face down and reveal both together.

During the Aftermath of the battle, put the card chosen from your Hand in your Graveyard instead of your Discard Pile.

Field Command (3)

MILITARY

ACTION
Bank Field Command as an Asset. After you use a 1-Command Order, you may discard it. If you do, you may use your Leader's other 1-Command Order once this turn at its next legal timing without spending Command.

BATTLE
After you use a 1-Command Order during this battle while Field Command is face up, you may use your Leader's other 1-Command Order once this turn at its next legal timing without spending Command. If you do, put Field Command in your Graveyard after that Order resolves.

Reserve Force (3)

MILITARY

ACTION
Bank Reserve Force as an Asset with one card from your Hand that has a Tactic or Battle effect face down beneath it. After Tactics are revealed in a battle involving you, you may discard Reserve Force. If you do, play the stored card face up as an additional Tactic, provided its effect can resolve then. During the Aftermath of the battle, put the stored card in your Graveyard. If Reserve Force leaves play before deployment, put the stored card in your Graveyard.

BATTLE
After Tactics are revealed, you may replace Reserve Force with an eligible card from your Hand whose effect can still resolve. If you do, put Reserve Force in your Graveyard and place the replacement face up. If you do not, put Reserve Force in your Discard Pile during the Aftermath of the battle instead of its normal destination.

Give Chase (3)

MILITARY

ACTION
Play only during an Action Opportunity after you win a battle you initiated this turn. Advance one position. This movement may start a battle. If it does, you cannot set a Gambit or use Orders during that battle. Form your Reserve with one fewer card for each earlier battle after the first that you fought this turn. This may reduce your Reserve to zero cards. Put Give Chase in your Graveyard after this movement.

BATTLE
At the end of the Aftermath of a battle you initiated and won, you may advance one position. Apply the same follow-up-battle restrictions. Put Give Chase in your Graveyard instead of its normal destination.

Hold the Line (4)

MILITARY

ACTION
Bank Hold the Line as an Asset. During opening effects in a battle where you are defending a Territory you control, you may put it in your Graveyard. If you do, after Tactics are revealed, draw two cards into your Reserve. You may immediately play one face up as an additional Tactic if it has a Tactic or Battle effect that can resolve then. If you lose, after you retreat, the attacker captures that Territory.

BATTLE
If you are defending a Territory you control, after Tactics are revealed, draw two cards into your Reserve. You may immediately play one face up as an additional Tactic if eligible. If you lose, after you retreat, the attacker captures that Territory. During the Aftermath of the battle, put Hold the Line in your Graveyard instead of its normal destination.

Countercharge

4

MILITARY

ACTION
Bank Countercharge as an Asset. At the end of the Aftermath of a battle you did not initiate and won, you may put it in your Graveyard. If you do, advance one position. This movement may start a battle.

BATTLE
At the end of the Aftermath of a battle you did not initiate and won, put Countercharge in your Graveyard instead of its normal destination, then advance one position. This movement may start a battle.

War Crimes

4

MILITARY

ACTION
Bank War Crimes as an Asset. During the Aftermath of a battle you won, you may put it in your Graveyard. If you do, put all opposing Tactics from that battle in their owner's Graveyard instead of their Discard Pile, and the opponent retreats one additional position. You cannot move, capture a Territory, or use an Order as a result of that victory.

BATTLE
During the Aftermath of the battle, if you won, you may apply the same effect. If you do, put War Crimes in your Graveyard instead of its normal destination.

Shock and Awe

5

MILITARY **UNIQU**

ACTION
Bank Shock and Awe as an Asset. During opening effects, when you initiate a battle on an enemy-controlled Territory, you may put it in your Graveyard to use the effect below.

BATTLE
If you initiated this battle on an enemy-controlled Territory, use the effect below. During the Aftermath of the battle, put Shock and Awe in your Graveyard instead of its normal destination.

EFFECT
After Tactics are revealed, you may play one card from your Hand with a Tactic or Battle effect face up as an additional Tactic, provided its effect can resolve then. During the Aftermath of the battle, put that card in your Graveyard instead of your Discard Pile.

If you lose, retreat one additional position.

If you win, choose Breakthrough or Consolidate.

Breakthrough: Choose only if the opponent can retreat one additional position. After their normal retreat, they retreat one additional position. Then advance one position. This movement cannot start a battle.
