BATTLE: If your opponent controls more Territories than you, add +1 to your battle total.

Counterintelligence

1

NEUTRAL • BASIC

ACTION: Bank this as an Asset. Opposing effects cannot look at, reveal, or require you to reveal your hand, Battle Hand, or face-down cards used in battle. This does not prevent the normal battle reveal.

BATTLE: Add +1 to your battle total. Until the normal reveal, opposing effects cannot look at or reveal your face-down cards used in this battle.

Fealty

1

NEUTRAL • BASIC

ACTION: Bank this as an Asset. Opposing card effects cannot give you disadvantage.

BATTLE: Ignore one disadvantage affecting you during this battle. If you have no disadvantage, add +1 to your battle total instead.

Forced March

1

NEUTRAL • BASIC

ACTION: Play only during the Action Opportunity before movement. Gain one additional position of movement this turn. This additional movement cannot initiate a battle.

BATTLE: If you are the attacking player, add +1 to your battle total.

New Recruits

1

NEUTRAL • BASIC

ACTION: Discard one other card from your hand, then draw two cards.

BATTLE: Add +1 to your battle total.

Rallying Cry

1

NEUTRAL • BASIC

ACTION: Draw one card.

BATTLE: Add +1 to your battle total.

Reserves

1

NEUTRAL • BASIC

ACTION: Draw one card, then place one card from your hand on top of your Draw Pile.

BATTLE: During battle cleanup, you may place one unchosen card from your Battle Hand on top of your Draw Pile instead of putting it in your Discard Pile.

Scouting Report

1

NEUTRAL • ADVANCED

ACTION: Look at the top card of either Draw Pile or one random card from your opponent's hand.

BATTLE: Reveal this before the other cards in the battle. Look at one opposing face-down card used in the battle. You may replace this with one unchosen card from your Battle Hand. If you do, put this in your Graveyard immediately and place the replacement face down.

Disruption

2

NEUTRAL • BASIC

ACTION: Your opponent discards one random card from hand.

Counterworks

3

BATTLE: Choose one; one Overlay on the contested Territory is inactive during this battle; or the next opposing Overlay that would be placed there during this battle or cleanup is not placed. If a card would have become that Overlay, put it in its owner's Discard Pile.

Protracted Siege

3

NEUTRAL • ADVANCED

BATTLE: If you lose while defending a Territory you control, place this on that Territory as an Overlay instead of following its normal destination. The opponent does not capture that Territory during their next Capture step. During their following Capture step, they capture it normally if they still occupy it.

REMINDER: After this delays one Capture step, or if the occupier leaves first, put it in its owner's Graveyard.

Stop resolving Battle effects. Put all other cards still used in the battle in their owners' Discard Piles, then put this in its owner's Graveyard.

REMINDER: The attacking player's return is not a retreat. Effects that already resolved are not undone.
