

Speculation 1 FINANCIERS • ADVANCED ACTION: Choose one Territory you neither control nor occupy. Place this face up beside that Territory. At the start of your next turn, if you occupy or control that Territory, gain 2 Capital and discard this. Otherwise, put this in your Graveyard. BATTLE: If you initiated this battle, you may spend 1 Capital. If you do and win, gain 2 Capital during battle cleanup. If you do and do not win, put this in your Graveyard instead of its normal destination.	Monetary Crisis 2 FINANCIERS • BASIC ACTION: Each player discards their hand, then draws two cards. BATTLE: During battle cleanup, each player with more than one card in hand chooses one of those cards and discards the rest.	Liquidation 2 FINANCIERS • ADVANCED ACTION: Choose one card in your Treasury and put it in your Discard Pile. Gain Capital equal to its deckbuilding value, then you may immediately buy or buy out one Deed. BATTLE: Before dice are rolled, you may choose one card in your Treasury and put it in your Discard Pile. If you do, gain Capital equal to its deckbuilding value, then you may immediately Subsidize.
Underwriting 2 FINANCIERS • ADVANCED • ASSET ACTION: Bank this as an Asset. After you lose a battle in which you used Subsidize, you may discard this. If you do, gain Capital equal to the bonus you purchased. BATTLE: After this battle, if you lose and used Subsidize, gain Capital equal to the bonus you purchased.	Capital Gains 3 FINANCIERS • ADVANCED ACTION: Place this beneath one card in your Treasury. At the start of your next turn, after the Capture step and income, return that Treasury card to your hand and gain Capital equal to its deckbuilding value, then discard this. If you lose a battle before then, put both cards in your Discard Pile instead. If the chosen card leaves your Treasury before this effect resolves, discard this. BATTLE: During battle cleanup, if you won, choose one other card you used during this battle that would enter your Discard Pile or Graveyard. Place that card face up in your Treasury instead.	Tariffs 3 FINANCIERS • ADVANCED • ASSET ACTION: Bank this as an Asset. Draw two cards, then take one additional Action Opportunity this turn. ASSET: While this is banked, skip your normal draw. You cannot bank this while you control another banked Tariffs. You cannot voluntarily cause this to leave play during the turn it is banked. BATTLE: Your opponent may discard one card from hand. If they do not, add +1 to your battle total.
Divestment 3 FINANCIERS • ADVANCED ACTION: Make one Deed you own unowned. Gain Capital equal to the number of Deeds you owned before doing so, then take one additional Action Opportunity this turn. BATTLE: Before dice are rolled, you may make one Deed you own unowned. If you do, gain Capital equal to the number of Deeds you owned before doing so, then you may immediately Subsidize.	Margin Loan 3 FINANCIERS • ADVANCED • ASSET WITH COLLATERAL ACTION: Choose one other card in your hand or Treasury and place it beneath this as collateral. Bank this as an Asset. Gain Capital equal to the collateral card's deckbuilding value plus 2, then take one additional Action Opportunity this turn. LOAN: At the start of your next turn, after the Capture step and income, choose one: Repay — pay Capital equal to the collateral card's deckbuilding value plus 3, return the collateral card to your hand, then discard this; or Default — put this and its collateral in your Graveyard. BATTLE: Before dice are rolled, you may place one other card from your hand or Treasury beneath this as collateral. If you do, gain Capital equal to its deckbuilding value, then you may immediately Subsidize. During battle cleanup, if you won, return the collateral card to your hand. Otherwise, put this and its collateral in your Graveyard. REMINDER: If this leaves play before the loan is resolved, you default.	Leveraged Buyout 4 FINANCIERS • ADVANCED ACTION: Buy or buy out one Deed. For this purchase, you may use any number of cards from your hand or Treasury as collateral. Each collateral card contributes payment equal to its deckbuilding value and is put in your Graveyard after the purchase. Collateral may pay the entire cost. BATTLE: During battle cleanup, if you won as the attacking player on a Territory whose Deed you do not own, you may immediately buy or buy out that Deed, treating the Territory as occupied. For this purchase, you may use any number of other cards you used in this battle as collateral. Each contributes payment equal to its deckbuilding value and is put in your Graveyard instead of its normal destination. Collateral may pay the entire cost.

4

BATTLE: If you initiated this battle on a Territory whose Deed you owned when the battle began and you win, capture that Territory immediately instead of occupying it.

4

ACTION: Bank this as an Asset. The first time each turn your opponent advances onto a Territory whose Deed you own, they choose one: discard one card from hand, or you gain 2 Capital.

BATTLE: If this battle takes place on a Territory whose Deed you own, your opponent chooses one: discard one card from hand, or you gain 3 Capital during battle cleanup.

5

ACTION: Buy or buy out any number of Deeds. Resolve each purchase completely before calculating the cost of the next.

BATTLE: During battle cleanup, if you won, you may buy or buy out any number of Deeds. Resolve each purchase completely before calculating the cost of the next.
