

Clemency 1 DIPLOMATS • BASIC ACTION: Choose a card in the opponent's Graveyard. They choose one: move it to their Discard Pile and you gain 1 Influence; or leave it there and you draw one card.	Trade Concessions 2 DIPLOMATS • ADVANCED TERMS: When you offer Terms, before the opponent accepts or refuses, you may reveal this from hand and set it aside. ACCEPTED: The opponent chooses one available option: draw two cards; or bank one eligible card from hand as an Asset without using an Action Opportunity. Then discard this and draw one card. REFUSED: Return this to your hand before the battle. BATTLE: The opponent draws one card. Add +2 to your battle total.	Safe Conduct 2 DIPLOMATS • ADVANCED • ASSET ACTION: Bank this as an Asset. REACTION: When you would lose a battle following refused Terms, you may discard this to withdraw instead. The opponent remains in or occupies the contested position, and the battle ends without a winner.
Neutral Observers 2 DIPLOMATS • ADVANCED • ASSET ACTION: Bank this as an Asset. REACTION: After Terms are refused, before either player commits a card from hand, you may discard this. The opponent first commits one card from hand face up for its Battle effect or declines to commit; then you commit normally.	Good Faith 3 DIPLOMATS • ADVANCED • ASSET ACTION: Bank this as an Asset. TERMS: When you offer Terms, before the opponent accepts or refuses, you may discard this to draw one card, then reveal one card from hand and set it aside. ACCEPTED: Put that card in your Graveyard. REFUSED: Return it to your hand before the battle.	Demilitarized Zone 3 DIPLOMATS • ADVANCED • TERRITORY OVERLAY SETTLEMENT: After your Terms are accepted and the Proposal's Accepted effect resolves, you may place this as an Overlay on the contested Territory without using an Action Opportunity. Each player still there withdraws. OVERLAY: Neither player may enter this Territory during the turn this is placed. To enter it while unoccupied, discard one card. It cannot be captured or change control while this remains. At the start of your turn, before the Capture step, if you occupy it, discard one card or withdraw. After the first battle fought here, discard this.
Diplomatic Latitude 3 DIPLOMATS • ADVANCED TERMS: When you offer Terms, you may reveal this from hand and offer two eligible Proposals with the same Stake instead of one. Stake that amount once. ACCEPTED: The opponent chooses which Proposal is accepted. REFUSED: Choose one Proposal before resolving its Refused effect. Only it may be imposed. CLEANUP: The other Proposal does not resolve or become ratified. After the Terms resolve, discard this.	Nonbinding Resolution 3 DIPLOMATS • ADVANCED TERMS: When you offer Terms, before the opponent accepts or refuses, you may reveal this from hand and set it aside. ACCEPTED: If the Proposal is unratified, the opponent chooses one before ratification: ratify it normally; or leave it unratified and you gain 2 Influence. After the accepted Terms resolve, discard this, then draw one card. REFUSED: Discard this, then draw one card before the battle.	Sanctions: Censure 3 DIPLOMATS • ADVANCED • ASSET • SANCTION SANCTION: After an opponent refuses your Terms, you may bank this from hand without using an Action Opportunity. ASSET: While banked, the first time each turn that opponent plays a card for its Action effect, they choose: discard one card, or you draw one card. RELIEF: After they accept your Terms, discard this.
