Did any of these occur?

- ☐ Winner clear long before the end
- ☐ Player had no meaningful options
- ☐ Territory / Asset loss snowballed too hard
- ☐ Card flow or Graveyard pressure broke down
- ☐ Repetitive or low-stakes battles
- ☐ Attacking felt consistently futile
- ☐ Additional victory felt solitaire or irrelevant
- ☐ Rules, zones, or components interrupted play

What worked best?

What dragged, frustrated, or felt weak?

What was confusing or required a ruling?

Anything too strong, too weak, or automatic? Best moment / hardest decision
