

Armistice 4 <i>Advanced Neutral / Watchlist</i> ACTION: Play Armistice as a Condition. For the rest of this turn and throughout your opponent's next turn, neither player may initiate a battle. Discard Armistice at the end of that turn. BATTLE: Resolve effects that cancel Battle cards first. If Armistice remains in play, end the battle immediately without a winner. The attacker returns to the Territory they entered from. Other unresolved Battle effects do not resolve. Place all other Battle cards still in play in their owners' discard piles, and place Armistice in your Graveyard. REMINDER: The attacker's return is not a retreat. Effects that already resolved are not undone. v0.5.7 Core/Advanced Pool	Attrition 3 <i>Advanced Neutral / Watchlist</i> ACTION: Bank Attrition as an Asset. Whenever your opponent loses a battle against you, each card they played from their battle draw goes to their Graveyard instead of their discard pile. BATTLE: If your opponent loses this battle, place every card from their initial battle draw in their Graveyard. REMINDER: The initial battle draw is the first battle-draw amount before additional or replacement cards; if fewer cards were drawn, affect all of them. v0.5.7 Core/Advanced Pool	Blockade 4 <i>Advanced Neutral / Watchlist</i> ACTION: Play Blockade as a Condition affecting your opponent. At the beginning of each of their turns, after their normal draw, if they have more than one card in hand, they discard one at random. When they win a battle, discard Blockade. BATTLE: Your opponent may discard one card from their hand. If they do not, each card they played from their battle draw has no effect during this battle. If they lose, play Blockade as a Condition affecting them instead of its normal destination. REMINDER: A player may have only one Blockade Condition. v0.5.7 Core/Advanced Pool
Capital Punishment 4 <i>Advanced Neutral / Watchlist</i> ACTION: Play Capital Punishment as a Condition. Choose one opposing Asset. If you defeat that opponent in battle this turn, place the chosen Asset in its owner's Graveyard. Discard Capital Punishment at the end of the turn. BATTLE: Choose one opposing Battle card. That card has no effect; place it in its owner's Graveyard immediately. v0.5.7 Core/Advanced Pool	Conscription 3 <i>Core Neutral</i> ACTION: Draw one card. You may immediately play one card from your hand whose Action banks it as an Asset. BATTLE: If committed from hand before the battle draw step, increase your battle-draw amount by 1 and increase the number of battle-drawn cards you may play by 1. v0.5.7 Core/Advanced Pool	Contraband 3 <i>Core Neutral</i> ACTION: Choose one card in your discard pile and return it to your hand. BATTLE: When Contraband is revealed, choose one card in your discard pile whose Battle effect can still resolve. Place Contraband in your Graveyard and play the chosen card in its place. REMINDER: The replayed card follows its own Battle text and normally enters the Graveyard after battle. v0.5.7 Core/Advanced Pool
Counterintelligence 2 <i>Core Neutral</i> ACTION: Bank Counterintelligence as an Asset. Opposing effects cannot look at, reveal, or require you to reveal your hand, battle draw, face-down Battle cards, or face-down Territories. This does not prevent revelation required by the normal rules of battle or Territory exploration. BATTLE: Add +1 to your battle total. Until the normal reveal, opposing effects cannot look at or reveal your face-down Battle cards. v0.5.7 Core/Advanced Pool	Court Martial 3 <i>Core Neutral</i> ACTION: Play Court Martial as a Condition affecting your opponent. After their next battle, discard Court Martial. If they lost that battle, they must retreat one additional tile. BATTLE: Your opponent gains disadvantage during this battle. If they lose, they must retreat one additional tile. REMINDER: The additional retreat is forced. v0.5.7 Core/Advanced Pool	Decoys 3 <i>Core Neutral</i> ACTION: Bank Decoys as an Asset. If an opposing effect would cause one or more of your other Assets to leave play, you may discard Decoys. If you do, choose one affected Asset; it remains in play. BATTLE: Opposing effects that cancel Battle cards must target Decoys before they can target your other Battle cards. v0.5.7 Core/Advanced Pool

Palisade Wall 2 <i>Core Neutral</i> ACTION: Play Palisade Wall as a Condition. During the next battle in which you are the defender, your opponent's Assets are inactive. Discard Palisade Wall after that battle. BATTLE: If you are the defender, choose one opposing Battle card committed from hand. That card has no effect during this battle. If your opponent committed no card from hand, gain advantage instead. REMINDER: The chosen card remains played and goes to its normal destination after battle. v0.5.7 Core/Advanced Pool	Protracted Siege 4 <i>Advanced Neutral / Watchlist</i> ACTION: Bank Protracted Siege as an Asset. Whenever your opponent occupies a Territory you control, they do not capture it at the beginning of their next turn. If they still occupy it at the beginning of the following turn, they capture it normally. BATTLE: If you are defending a Territory you control and lose, play Protracted Siege as a Condition affecting your opponent instead of its normal destination. They do not capture the Territory occupied during this battle at the beginning of their next turn. If they still occupy it at the beginning of the following turn, they capture it normally, then discard Protracted Siege. If they cease occupying it first, discard Protracted Siege. v0.5.7 Core/Advanced Pool	Rallying Cry 1 <i>Core Neutral</i> ACTION: Draw one card. BATTLE: Add +1 to your battle total. v0.5.7 Core/Advanced Pool
Redemption 2 <i>Core Neutral</i> ACTION: Play Redemption as a Condition. The next time an opposing effect causes one or more of your cards to enter your discard pile, choose one of those cards and return it to your hand after that effect resolves. Then discard Redemption. BATTLE: If an opposing effect causes one other Battle card you played to have no effect and enter your discard pile, return that card to your hand after the battle instead. v0.5.7 Core/Advanced Pool	Reinforcements 2 <i>Core Neutral</i> ACTION: Play Reinforcements as a Condition. During your next turn, you may play one additional Action card. Discard Reinforcements at the end of that turn. BATTLE: After the other Battle cards are revealed, draw one additional battle card. You may immediately play it face up if its Battle effect can still resolve. v0.5.7 Core/Advanced Pool	Revolution 4 <i>Advanced Neutral / Watchlist</i> ACTION: Each player discards their hand, then draws cards equal to the number of cards the other player discarded. BATTLE: After all rerolls, you may exchange the two final selected die results. Each player keeps their own modifiers. REMINDER: If both players use Revolution, the exchanges cancel. v0.5.7 Core/Advanced Pool
Rousing Speech 2 <i>Core Neutral</i> ACTION: Bank Rousing Speech as an Asset. Whenever your opponent banks a new Asset, you may draw one card, then discard one card. BATTLE: If your opponent has more face-up Assets than you, gain advantage. REMINDER: Turning an existing Asset face up does not trigger Rousing Speech. v0.5.7 Core/Advanced Pool	Sabotage 2 <i>Core Neutral</i> ACTION: Play Sabotage as a Condition attached to one opposing Asset. Turn that Asset face down until the start of your next turn, then discard Sabotage. BATTLE: Choose one opposing Battle card. That card has no effect; place it in its owner's discard pile immediately. v0.5.7 Core/Advanced Pool	Scouting Report 1 <i>Core Neutral</i> ACTION: Look at the top card of your opponent's deck, one random card from their hand, or one face-down Territory. BATTLE: Reveal Scouting Report before the other Battle cards. Look at one face-down opposing Battle card. You may replace Scouting Report with one unplayed card from your battle draw. If you do, place Scouting Report in your Graveyard immediately and place the replacement face down. v0.5.7 Core/Advanced Pool

Shock and Awe 5 Advanced Neutral / Watchlist ACTION: Play Shock and Awe as a Condition. If you win your next battle this turn as the attacker on a Territory your opponent controls, immediately capture that Territory instead of occupying it, then you may advance one additional tile. If another effect would delay the capture, reduce that delay by one round instead; you may advance only if the Territory is captured. Discard Shock and Awe at the end of the turn. BATTLE: If you win this battle as the attacker on a Territory your opponent controls, immediately capture that Territory instead of occupying it, then you may advance one additional tile. This capture overrides effects that would delay it. If the advance begins another battle, gain advantage during that battle. REMINDER: Shock and Awe can cause only one additional advance per turn. v0.5.7 Core/Advanced Pool	Siege Weaponry 5 Advanced Neutral / Watchlist ACTION: Place Siege Weaponry face up over the nearest revealed enemy-controlled Territory ahead of you that has a printed effect. While it remains face up, that Territory's printed effect is inactive. The next time you attack there, discard Siege Weaponry if you lose. If you win, or if you capture that Territory without a battle, turn Siege Weaponry face down and leave it there. BATTLE: If you are attacking on an enemy-controlled Territory, place Siege Weaponry face up over it. That Territory's printed effect is inactive during this battle. If you win, turn Siege Weaponry face down and leave it there instead of placing it in its normal destination. REMINDER: Face-down Siege Weaponry is an active Ruins Overlay and remains until specifically repaired. v0.5.7 Core/Advanced Pool	Stand Ground 2 Core Neutral ACTION: Play Stand Ground as a Condition. Until the start of your next turn, your token cannot be moved by opposing card effects. Then discard Stand Ground. BATTLE: If you are the defender, gain advantage. v0.5.7 Core/Advanced Pool
Strategic Withdrawal 3 Core Neutral ACTION: Return one Asset you control from your Asset bank to your hand. If you do, gain one additional movement this turn. BATTLE: If you lose this battle, after completing the required retreat, you may voluntarily withdraw one additional tile. If you do, return one other card you played during this battle to your hand instead of placing it in its normal destination. REMINDER: The additional withdrawal is voluntary and can trigger Refuge. v0.5.7 Core/Advanced Pool	Supplies 1 Core Neutral ACTION: Play Supplies as a Condition. At the beginning of your next turn, draw two additional cards, then discard Supplies. BATTLE: After this battle, draw two cards, then discard one card. v0.5.7 Core/Advanced Pool	Valor 2 Core Neutral ACTION: Bank Valor as an Asset. Whenever you lose a battle, draw one card after retreating. BATTLE: After the battle dice are rolled, if your total is lower than your opponent's, you may reroll your die. You must use the new result. v0.5.7 Core/Advanced Pool
Quicksand v0.5.7 Territory If a player begins their Movement phase on this Territory, they cannot voluntarily withdraw or move more than one tile that turn. Forced movement is unaffected.	Poisonous Gas v0.5.7 Territory During a battle on this Territory, each player may play no more than one card and must place one card from their battle draw in their Graveyard. A battle-draw card played during that battle satisfies this requirement.	Difficult Terrain v0.5.7 Territory When a player enters this Territory, their movement ends for the turn. A player who starts their turn here or enters it during their turn cannot play an Action card after movement that turn.

Fortified Pass When this Territory's controller defends it, the attacker's Assets are inactive for that battle. v0.5.7 Territory	Field Hospital After a battle on this Territory, its controller may place one card they played that would enter their Graveyard in their discard pile instead. v0.5.7 Territory	Garrison When defending this Territory, its controller draws four battle cards instead of three. v0.5.7 Territory
Insurgency While an opponent occupies this Territory without controlling it, their Assets are inactive. v0.5.7 Territory	Exposed Flank When this Territory's controller counterattacks an opponent occupying it, that opponent cannot commit a card from hand during the battle. v0.5.7 Territory	Disrupted Supply Lines While a player is on this Territory, they may have no more than one face-up Asset. Turn their other Assets face down and inactive until they leave. v0.5.7 Territory
Watchtower When the defender controls this Territory, any card the attacker commits from hand during the battle commitment step is placed face up instead of face down. Cards played from the battle draw are not hand commitments. v0.5.7 Territory	High Ground The defender in a battle on this Territory gains advantage. v0.5.7 Territory	Ruined Storehouse When drawing at the beginning of their turn, a player on this Territory may draw the top card of their discard pile instead of their deck. v0.5.7 Territory

King's Road When a player starts their turn on this Territory, they have two movements during that turn's Movement phase instead of one. v0.5.7 Territory	Command Tent If you start your turn occupying and controlling this Territory, you may play one Action card before movement and one Action card after movement. If Command Tent is face down, you may reveal it at the start of your turn without using either Action opportunity. v0.5.7 Territory	Supply Depot At the beginning of their turn, a player occupying and controlling this Territory draws two cards instead of one. v0.5.7 Territory
Toll Bridge To advance from this Territory, a player must discard one card from their hand. v0.5.7 Territory	Monastery While this Territory's controller occupies it, cards cannot leave either player's Graveyard. During battles here, Witchcraft, Necromancy, and Arcane Knowledge have no effect. v0.5.7 Territory	Old Battlefield After a battle on this Territory, its controller may place one unplayed card from their battle draw in their Graveyard instead of their discard pile. v0.5.7 Territory
Smuggler's Pass While occupying and controlling this Territory, a player may, instead of playing an Action card, place one card from their hand face down next to it. The stored card does not count toward their hand limit. At the beginning of a later turn while they control this Territory, they may return it to their hand. Only one card may be stored here. If control changes, discard it. v0.5.7 Territory	Training Grounds When defending this Territory, its controller may discard their entire battle draw and draw the same number of replacement cards. They must use the replacement draw. v0.5.7 Territory	Refuge When a player voluntarily withdraws onto this Territory, they draw one card. v0.5.7 Territory

Arena: Spoils of War Homeland Advantage does not apply, and tied battle rolls are rerolled. After the battle, the winner may add one unplayed card from their battle draw to their hand instead of discarding it. v0.5.7 Territory	Arena: No Quarter Homeland Advantage does not apply, and tied battle rolls are rerolled. The loser retreats two tiles instead of one. v0.5.7 Territory	Arena: Single Combat Homeland Advantage does not apply, and tied battle rolls are rerolled. Neither player's Assets apply during the battle. v0.5.7 Territory
Arena: Grand Melee Homeland Advantage does not apply, and tied battle rolls are rerolled. Each player draws four battle cards instead of three and may play up to two of them. v0.5.7 Territory	Turn Order START: - Resolve captures. - Draw one card. - Check ongoing Conditions. ACTION: - You may play one Action before movement unless a rule says otherwise. MOVEMENT: - Advance, hold, or withdraw. Entering an opponent-occupied space starts a battle. AFTER MOVEMENT: - You may play one Action after movement if you did not play one before movement. Supplemental Card - Not a deck card	Battle Order 1. ENTER: - Attacker enters the battle space. 2. COMMIT: - Each player may commit one card from hand face down, or pass. 3. BATTLE DRAW: - Each player draws their battle-draw amount. Normal amount is 3. Each may play up to the allowed number, including zero. 4. REVEAL: - Reveal cards; resolve attacker effects first when simultaneous. 5. DICE: - Roll and apply advantage/disadvantage and modifiers. Tied totals go to defender only if they have Homeland Advantage; otherwise reroll. Supplemental Card - Not a deck card
Asset Bank LIMIT: - Asset bank limit equals Territories controlled. - Occupied Territories do not count until captured. - Heartlands do not count. DISCARD DOWN: - If your limit decreases, immediately discard Assets until within the limit. CONDITIONS: - Ongoing Actions that are not banked Assets are Conditions and discard when directed. Supplemental Card - Not a deck card	Occupation & Capture OCCUPATION: - Winning as attacker on enemy Territory normally occupies it first. COUNTERATTACK: - Opponent has a normal chance to counterattack occupied ground. CAPTURE: - If still occupying at the start of your next turn, resolve capture. HEARTLANDS: - Heartlands are not cards or Territories. Defending your Heartland gives +1 and Homeland Advantage. Supplemental Card - Not a deck card
